

OK UPDATE

September 2013

Welcome to the September OK Update - an opportunity to briefly look at what is happening within the OKA over the next few months so you can put the dates in your diaries!

Following another resoundingly successful Summer Reunion on 29th June (a record number of OKs attended and the Summer Ball was a sell-out for the second year running!), it is clear that an increasing number of OKs are keen to continue to keep in touch with the School and old school friends.

Our next key event is the Annual Dinner on Saturday 19 October (see following pages); with David Donaldson as Speaker we are hoping to see many of you there who were at school under his headship. Other confirmed key dates for the OKA are listed below, along with some events at the School that may be of interest to you.

As always, the OKA are keen to help you organise and promote any OK reunions... please contact the office if you have anything in mind!

OKs from the 1963 year group returned to celebrate their 50 year reunion! It was the first time some of them had been back to the School for several years.

The 6-a-side football tournament in the Mall was well supported! The winners were the 2008 year group.

The Summer Ball was a sell out weeks before the event with OKs from 1992, 1993 & 2003 snapping up the tickets almost as soon as they became available!

As always, the cricket match against the school 1st XI provided a great backdrop to the other activities going on...

The bar and bouncy castle were popular focal points for OKs to meet!

Hours before most OKs had arrived in Kimbolton, the OK canoeing team were preparing for a race against the school (which they won!)
