T AVORUM

Welcome

Kimbolton School is committed to recruiting, developing and retaining high calibre teaching and non-teaching staff for our outstanding [HMC school](#). All our staff, regardless of role, play an important part in the provision of our first-class education.

Teaching Staff

We employ teachers who are conscientious, imaginative and committed to educating the whole person. Our continuous professional development scheme provides all academic staff with an opportunity to reflect on their practice and continue to develop their teaching and pastoral skills to the benefit of all pupils. We expect teachers to be fully involved in the extra-curricular life of our school too, encouraging pupils in their wider development through music, sport, drama, art, CCF, clubs, societies and trips. Sometimes these are out-of-hours, at weekends or during school holidays.

Non-teaching Staff

Our non-teaching staff fill a wide variety of roles, both part- and full-time and some of them term-time only. They are very much part of our wider team and contribute to, and benefit from, the happy and positive feel of our school.

The School recognises that an important element in safeguarding our pupils is a robust recruitment process that incorporates measures to deter, reject, or identify people who might abuse children, or who are otherwise unsuited to work with them. In addition, recent government guidance, "Safeguarding Children – Keeping Children Safe in Education Sept 2022, specifically Part 3", as well as specific guidance from the National Minimum Standards for Boarding Schools, help to form the basis of school policy. For further information about Kimbolton School's commitment to Safer Recruitment, please visit our Policies page to read our Safe Recruitment Policy at www.kimbolton.cambs.sch.uk/policies.

You will find in this Application Pack further details about this exciting opportunity to join our friendly and enthusiastic staff team. Please refer to the Method of Application for details on how to apply. We look forward to hearing from you.

Job Description

Joiner / Carpenter

Required with immediate effect

The School

Kimbolton School was founded in 1600 and is situated in 100 acres of grounds in the West Huntingdon town of Kimbolton. The School currently educates over 1000 children aged 4-18 in a coeducational, predominantly day environment, although there are up to 60 boarders. The Senior School is located around Kimbolton Castle while the Preparatory School is housed to the west of the village on the original Grammar School site. The School employs approximately 400 staff and also owns a subsidiary company, Kimbolton School Enterprises, which transacts all non-charitable trading activity.

Further information about the School can be found on the School website at www.kimbolton.cambs.sch.uk.

Commitment to Safeguarding

Kimbolton School is dedicated to safeguarding and promoting the welfare of its boarding and day pupils, regardless of age, ability, race, culture, religion, sexuality or class. Safeguarding is integrated into the School ethos. It is the duty of all members of staff including full-time, part-time and volunteers, both teaching and support, to play an active role in ensuring the safety and promoting the welfare of the children in the School's care. Safeguarding is everyone's responsibility.

The Department

The Maintenance Team is managed by the Head of Maintenance, supported by a part time Administrator, and five experienced trade operatives (an electrician, 2 plumbers, decorator, carpenter and a general maintenance operative who can turn their hand to most general maintenance). There are some long-term team members who have valued historic maintenance knowledge of the buildings/site.

The Maintenance yard is based at the Senior School and has a fully equipped joinery workshop, which manufactures custom windows and doors etc.

The team is responsible for the maintenance of all the School's properties; which range from the Castle, Victorian Upper Prep School, to the QKB2 which was handed over in 2015.

All responsive repairs are carried out by the Maintenance Team; who are supported for some cyclical and planned work by contractors for works of a specialist nature, such as EICR's and Submersible pump

servicing; and planned exterior redecorating, Portable Appliance Testing and Legionella Risk Assessments.

Annually there are approximately 1,000 requests for responsive maintenance made by staff submitting a 'job ticket'. Planned maintenance and projects take place during all school holidays.

Key Responsibilities

The principal duties and responsibilities of the role are as follows:

- To measure, manufacture and install components such as windows, doors, door frames and linings, architraves, drama sets, cupboards and purpose made shelving, etc. in the Joinery Shop operating Woodworking Machines, powered and hand tools, for others to decorate.
- To undertake any reasonable request from the Head of Maintenance and to operate in accordance with current Health and Safety guidance and regulations and in compliance with the School procedures; including working alone or with others, to work safely and efficiently in maintaining and improving the Kimbolton School environment.
- To be capable of working from drawings and specifications and other documentation.
- Ensuring the Workshops are maintained in a safe and clean condition.
- Operate power tools safely.
- Working in association and in support of other trades to set time scales.
- Advising the Head of Maintenance on material and machinery requirements to ensure timely acquisition and delivery to site. Receipt of materials and equipment and ensuring that delivery notes are signed.
- To keep the Head of Maintenance informed of work progress on a daily basis.
- Undertake relevant training and development activities to keep up to date.
- Respond positively to new and alternative systems of working.
- Actively represent and promote the ethos and values of the School and promote and act at all times in accordance with the School's policies, eg Safeguarding, Health and Safety and Equal Opportunities.
- Undertaking any other duties appropriate to the post objectives as required by the Head of Maintenance or Bursar (appropriate to the level of the post).

The post holder may be required to carry out property repairs and improvements on school buildings from time to time, such as:

- Easing doors (external / internal / cupboard).
